

Private Pain – Description

Few people are exempt from some degree of private pain. Their pain may be hidden from others, but it never goes unnoticed by God; and it didn't go unnoticed by Jesus when He walked on the earth.

Portraying private pain with stark realism, Rich Wilkerson draws upon the answers that God has provided in His Word and shows us how God can bring joy and victory out of the private pain in our lives.

About the author:

Rich Wilkerson is the author of the bestseller ***Teenagers: Parental Guidance Suggested***. Rich is an evangelist and president of Rich Wilkerson Crusades, inc., headquartered in Tacoma, Washington. Rich and his wife, Robyn, have three children, Jon Fulton, Richie, and Graham, and live in the Pacific Northwest.
